Subject: Snowmobiling Week Proclamation

Clerk & Council:

On behalf of your local snowmobile club, the Ontario Federation of Snowmobile Clubs (OFSC) hereby requests that your municipality officially proclaim November 21 to 27, 2005 as *Get Ready For Snowmobiling Week*.

Get Ready For Snowmobiling Week is the provincial launch of the 2005/06 snowmobiling season. It recognizes the important contribution of your local snowmobile club and its volunteers to your community and welcomes snowmobiling as an activity that provides important benefits.

A suggested proclamation could read:

"To launch to 2005/06 snowmobiling season, (Name of Municipality) hereby declares November 21 to 27, 2005 as *Get Ready For Snowmobiling Week* in recognition of the social, recreational, economic and healthy lifestyle benefits that organized snowmobiling provides to this community and its residents each winter."

We would appreciate being notified by return email when your *Get Ready For Snowmobiling Week Proclamation* is approved.

Thanks for you cooperation,

OFSC Communications
