

York Region Accessibility Advisory Committee
The Regional Municipality of York
17250 Yonge Street
Newmarket, ON L3Y 6Z1

November 22, 2007

Dear Committee Members and Council

I would like to take this opportunity to give you my notice of resignation. Unfortunately, I will no longer be able to attend any further committee meetings.

Over the past several months being an Accessibility Advisory Committee member while working at the YMCA Employment Centre as an advocate working with the community and programs assisting people with disabilities, I have now moved onto a new role that does not have me involved in the community as I had been in the past. I do appreciate the opportunity and experience in being apart of the Accessibility Committee.

As a result of my new job I have needed to move closer and resulting in not being a York Region resident. I want to say thank you and I would like to wish the members, counsel and staff all the best in continuing to provide the community the needs and educational awareness and support that is needed in York Region.

Warmest regards,

Valerie Evans

Valerie Evans
