Re: York Region CEO Forum and Follow-up survey

On behalf of York Regional Council, I would like to thank you for attending our inaugural York Region CEO Forum on September 25th.

I trust you found the day informative and your company may benefit from some of the exciting environmental initiatives discussed by our guest speakers.

The Regional Municipality of York will continue to investigate and pursue strategic initiatives that benefit and improve the quality of life for our residents and businesses.

To that end, we are interested in having your feedback to the CEO Forum, and learn what further topics are of interest to you at subsequent events we sponsor.

All answers are confidential. Thank you for your participation and input.

To complete the confidential question survey, please click here
