**Re: Finance and Administration Committee Meeting
September 4, 2008**

As per the September 4, 2008 Committee's meeting, it was requested that the Regional staff should report back on the details of the UJA Federation/Joseph & Wolf Lebovic Jewish Community Campus- Community Services Building request to pay the Regional Development charges at the rate prior to the Increase effective after June 18, 2008

We have been working with the Municipality and Regional Staff on the Deferral Options. Due to the time that will be required to provide the detailed drawings and the information to be discussed on the various meetings, we therefore respectfully request that this matter be deferred to a future Council's meeting to be scheduled by the early New Year 2009.

We trust this letter will be of assistance and that you will contact us if any further action is required.

Yours very truly,

Mark Malinowicz, Project Manager
