REGION OF YORK
CLERK'S OFFICE

FILE No. - P27

Dear York Region Officials,

I am writing to thank you for expanding the region's recycling program. My husband and I have recently moved here from Ottawa, which had a rather limited recycling program that we were encouraging them to expand. We are very excited about living in a region with such a comprehensive recycling program. Of course, we work hard not to consume in the first place, but it is sometimes quite challenging to find food, for example, in easily recyclable 1 and 2 containers. We will continue our family policy of reduction and limited consumption, but we are very happy to have the support of our region with more recycling options.

Congratulations on your new program.

Sincerely,

lian goodall
