

AUDIT

The Regional Municipality of York

Audit Planning Report

For the year ending December 31, 2011

KPMG LLP, Chartered Accountants, Licensed Public
Accountants

kpmg.ca

Dear Audit Committee members,

Audit planning is the cornerstone of an effective, efficient and high quality audit. In developing our audit plan, we have worked with management to obtain a common understanding of the issues and related financial reporting risks facing The Regional Municipality of York and have designed our audit to focus on those areas of risk.

As members of the Audit Committee, you have a significant role to play in the oversight of our audit and we welcome any and all observations you may have regarding the decisions reflected in this audit plan.

At KPMG, we are committed to audit quality and outstanding client service. Audit quality is integral to our business and is engrained in our training, our processes and our systems and controls. We believe this audit plan embodies our commitment to audit quality.

We would like to take this opportunity to remind you that KPMG's Audit Committee Institute is committed to providing information, resources and knowledge-sharing opportunities to help audit committees and their boards of directors strengthen the integrity of their financial reporting process and the quality of their corporate governance practices. For more information, and to register to receive updates, publications and invitations to Audit Committee Institute events, please visit www.kpmg.ca/auditcommittee.

We sincerely hope this Audit Planning Report is of assistance to you, and we look forward to discussing it in detail and answering any questions you may have at the upcoming audit committee meeting.

Yours sincerely,

Kevin Travers
Partner

Audit plan

We have prepared this audit plan to inform you of the planned scope and timing of the audit for the purpose¹ of carrying out and discharging your responsibilities and exercising oversight over our audit of the consolidated financial statements.

What has changed from last year

There are no significant changes that might directly impact the audit for the current period.

Canadian Auditing Standards require that we ask you the following questions in connection with your oversight of management's process for identifying and responding to the risks of fraud:

- How do you provide effective oversight of management's process for identifying and responding to fraud risks, including programs and controls to prevent, detect and deter fraud?
- Are you aware of any instances of actual, suspected or alleged fraud, including misconduct or unethical behaviour related to financial reporting or misappropriation of assets? If so, how have the allegations been addressed?

Scope of the audit

The purpose of an audit is to enhance the degree of confidence of the users of the financial statements through the expression of an opinion on whether the financial statements fairly present, in all material respects, the financial position, results of operations and accumulated surplus, change in net financial assets, and cash flows of The Regional Municipality of York in accordance with Canadian public sector accounting standards.

In planning our audit, we have considered the level of audit work required to support our opinion, including each of the following matters:

Our responsibilities

- Our responsibilities in carrying out our audit, as well as management's responsibilities, are set out in the engagement letter included in the appendices to this report.

¹ KPMG shall have no responsibility or liability for loss or damages or claims, if any, to or by any third party as this document has not been prepared for, and is not intended for, and should not be used by, any third party or for any other purpose.

Materiality

- We determine materiality in order to plan and perform the audit and to evaluate the effects of identified misstatements on the audit and of any uncorrected misstatements on the financial statements.
- For the current period, materiality of approximately \$26 million has been determined.
- We will reassess materiality at period-end to confirm whether it remains appropriate for evaluating the effects of uncorrected misstatements on the financial statements.
- We will communicate uncorrected misstatements to you, other than those that are clearly trivial.
- Should uncorrected misstatements remain, in accordance with professional standards, we will:
 - communicate the effect that uncorrected misstatements, individually or in aggregate, may have on our audit opinion.

Significant financial reporting risks

As part of our audit planning, we identify significant financial reporting risks that, by their nature, require special audit consideration. By focusing on these risks, we are able to target our procedures and deliver a high quality audit that is both efficient and effective.

The significant financial reporting risks identified during our audit planning are listed below:

Regional Municipality of York

Investments and related income
Risk of material misstatement
Completeness, existence, accuracy, valuation
Summary of planned audit approach

Timing of the audit

We have discussed the key audit deliverables with management and the expected dates indicated below have been agreed upon:

Key deliverables and expected dates	
Deliverables	Expected date(s)
Conduct interim audit field work	November / December 2011
Conduct year-end audit field work	March / April 2012
Conduct year-end audit fieldwork (Housing York Inc.)	March 2012
Present the Audit Findings Report to the Audit Committee	June 2012
Provide audit opinion on financial statements	June 2012

Performance improvement observations

During the course of our audit, we may become aware of opportunities for improvements in financial or operational processes or controls. We will discuss any such opportunities with management and provide our recommendations for performance improvement. We will also include a synopsis of these issues and our recommendations in our Audit Findings Report to be delivered to you at the completion of the audit.

Current developments

Tax Revenue

- *PS 3510 – Tax Revenue* was approved by PSAB in November 2009.
- This standard sets out revenue recognition principles for tax revenue.
- Provides principles for recognition of taxes collected on behalf of others.
- This is standard effective for fiscal years beginning on or after April 1, 2012.

Liability for Remediation and Mitigation of Contaminated Sites

- PS 3260 – Liability for Contaminated Sites was approved by PSAB in March 2010.
- A liability for remediation of contaminated sites should be recognized when an environmental standard exists, the contamination exceeds the environmental standard, the government is directly responsible or accepts responsibility, it is expected future economic benefits will be given up and a reasonable estimate of the amount can be made.
- This standard is effective for fiscal years beginning on or after April 1, 2012.

Government Transfers

- PS 3410 - Government Transfers was approved in June 2011.
- Sets out recognition principles for government transfers for transferring and recipient governments.
- Transferring governments recognize an expense when the transfer has been authorized and all eligibility criteria have been met by the recipient.
- Recipient governments recognize revenue when the transfer is authorized and all eligibility criteria have been met, except when a transfer gives rise to a liability.
- This standard is effective for fiscal years beginning on or after April 1, 2012.
