Mr. Shawn Turner
General Manager, Long Term Care & Seniors Branch
The Regional Municipality of York
194 Eagle Street
Newmarket ON L3Y 1J6

Dear Mr. Turner: *Shawn*

Thank you for your letter dated August 18th, 2005, requesting approval to reallocate the 2005-06 unspent operating funds toward the renovation of the Maple Day Centre.

Approval has been granted for you to reallocate the 2005-06 unspent operating funds from the following service codes to the renovation of the Maple Day Centre (O1C) on a one-time basis only.

- \$27,231 from O1C, Maple Adult Day Program ✓
- \$51,625 from O9I, Client Intervention & Assistance Services
- \$52,250 from O9D, Psychogeriatric Consulting Resources

This one-time reallocation of up to \$131,106, as per the above breakdown from O1C, O9I and O9D service codes must be spent by March 31, 2006. This funding will be used toward the unanticipated construction costs and the additional costs of implementing the heating, ventilation and air conditioning and the life safety systems in the building.

Congratulations on your plans to serve additional clients through your renovations of the Maple Adult Day Centre.

Yours truly,

Sheila Driscoll
Program Consultant (A)
MOHLTC, CE Region
