6. The lands being expropriated and required for road purposes be dedicated as a common and public highway.
7. Authority be granted for the introduction of the necessary bills in Council to give effect to the foregoing.

2. PURPOSE

This report is to obtain Regional Council's approval to expropriate the required land from six owners to complete property requirements for the Highway 404 interchange at Doane Road in the Town of East Gwillimbury (*see Attachment 1*).

3. BACKGROUND

This project involves the construction of an interchange at the Highway 404 extension at Doane Road in the Town of East Gwillimbury. The interchange will be constructed by the Region once Highway 404 is completed.

Regional Council, on December 18, 2008 adopted Clause 1 of Report 10 of the Transportation and Works Committee accepting the 2009 Capital Budget, which included this project.

4. FINANCIAL IMPLICATIONS

Offers according to *Expropriations Act* to follow

Offers of compensation must be made under Section 25 of the *Expropriations Act* to the owners of the listed parts on the reference plans. These offers must be made within 90 days of the registration of the expropriation plans and prior to taking possession of the land. Funds are included in the 2009 Capital Budget for these offers. Staff will report back to Council prior to making these offers.

5. LOCAL MUNICIPAL IMPACT

The construction of the interchange at Highway 404 and Doane Road will accommodate the increase in traffic as a result of the extension of Highway 404 and future development in this area.

6. CONCLUSION

Construction of this interchange will not begin until after Highway 404 has been built. Securing all property requirements at this time will facilitate the project to be constructed earlier if it is deemed necessary.

The reference plan showing the Region's requirements has been deposited, and will be available at Committee for your review.
