

1

INTER-MUNICIPAL WASTE DIVERSION STRATEGY

(Regional Council at its meeting on October 19, 2006, amended as follows:

The report be adopted and all correspondence received from the local municipalities be forwarded with the report to the Solid Waste Management Committee for review.)

(Regional Council at its meeting on September 21, 2006, amended Clause 6 of Report 5 of the Solid Waste Management Committee by deferring consideration of Recommendation 3, set out below, to the October 19, 2006 Council meeting.)

3. *The following recommendations embodied in the attached report of the Inter-Municipal Waste Diversion Strategy Committee dated August 21, 2006, (Attachment 1) be adopted:*

1. Regional Council endorse the attached Joint Municipal Waste Diversion Strategy (Attachment 1a).

2. Regional Council adopt a goal to divert a minimum of 65% of the Region's waste from landfill not later than the year 2010.

(Attachment No. 1 referred to in this clause, which is the Report of the Inter-Municipal Waste Diversion Strategy Committee, entitled "Joint Municipal Waste Diversion Strategy", dated August 21, 2006, is included with this report. Attachment No. 1a referred to in this clause entitled "Joint Waste Diversion Strategy" dated September 2006, was previously distributed to all Members of Council with the September 21, 2006 Council agenda.)
