2. PURPOSE

The purpose of this report is to obtain Regional Council's approval to expropriate land from eight owners in conjunction with the widening and reconstruction of Weston Road in the City of Vaughan. (*see attachment 1*).

3. BACKGROUND

Regional Council, on April 17, 2003, adopted By-law R-1367-2003-039 that authorized the widening and reconstruction of Weston Road (YR 56) from Major Mackenzie Drive (YR 25) to Teston Road (YR 49) in the City of Vaughan. The By-law authorizes:

- (a) the widening and reconstruction of Weston Road;
- (b) the carrying out of all related works and undertakings in connection with the above; and
- (c) the acquisition of the necessary lands and interests in lands for the work described above.

4. FINANCIAL IMPLICATIONS

Offers of compensation must be made under Section 25 of the *Expropriations Act* to all of the owners of the listed parts on the reference plan. These offers must be made within 90 days of the registration of the expropriation plans. Funds have been included in the 2004 budget for these offers. Staff will report back to Council prior to making these offers.

5. LOCAL MUNICIPAL IMPACT

This project will provide additional north-south capacity on the Weston Road corridor to accommodate growth that is occurring in this area.

6. CONCLUSION

Construction of this project is scheduled to commence in 2005.

A reference plan showing the Region's requirements has been registered. In order to ensure that the project is not delayed, it is appropriate to proceed with expropriation. The above noted reference plan will be available at Committee for your review.
