

Community and Health Services Department
Office of the Commissioner

MEMORANDUM

TO: Members of Community Services and Housing Committee
Members of Health and Emergency Medical Services Committee

FROM: Joann Simmons, Commissioner of Community and Health Services

DATE: September 4, 2008

RE: **Re-organization of the Community and Health Services Department**

Following Regional Council's approval of the formation of the Community and Health Services Department and the retirement of several management staff, the department has been re-organized.

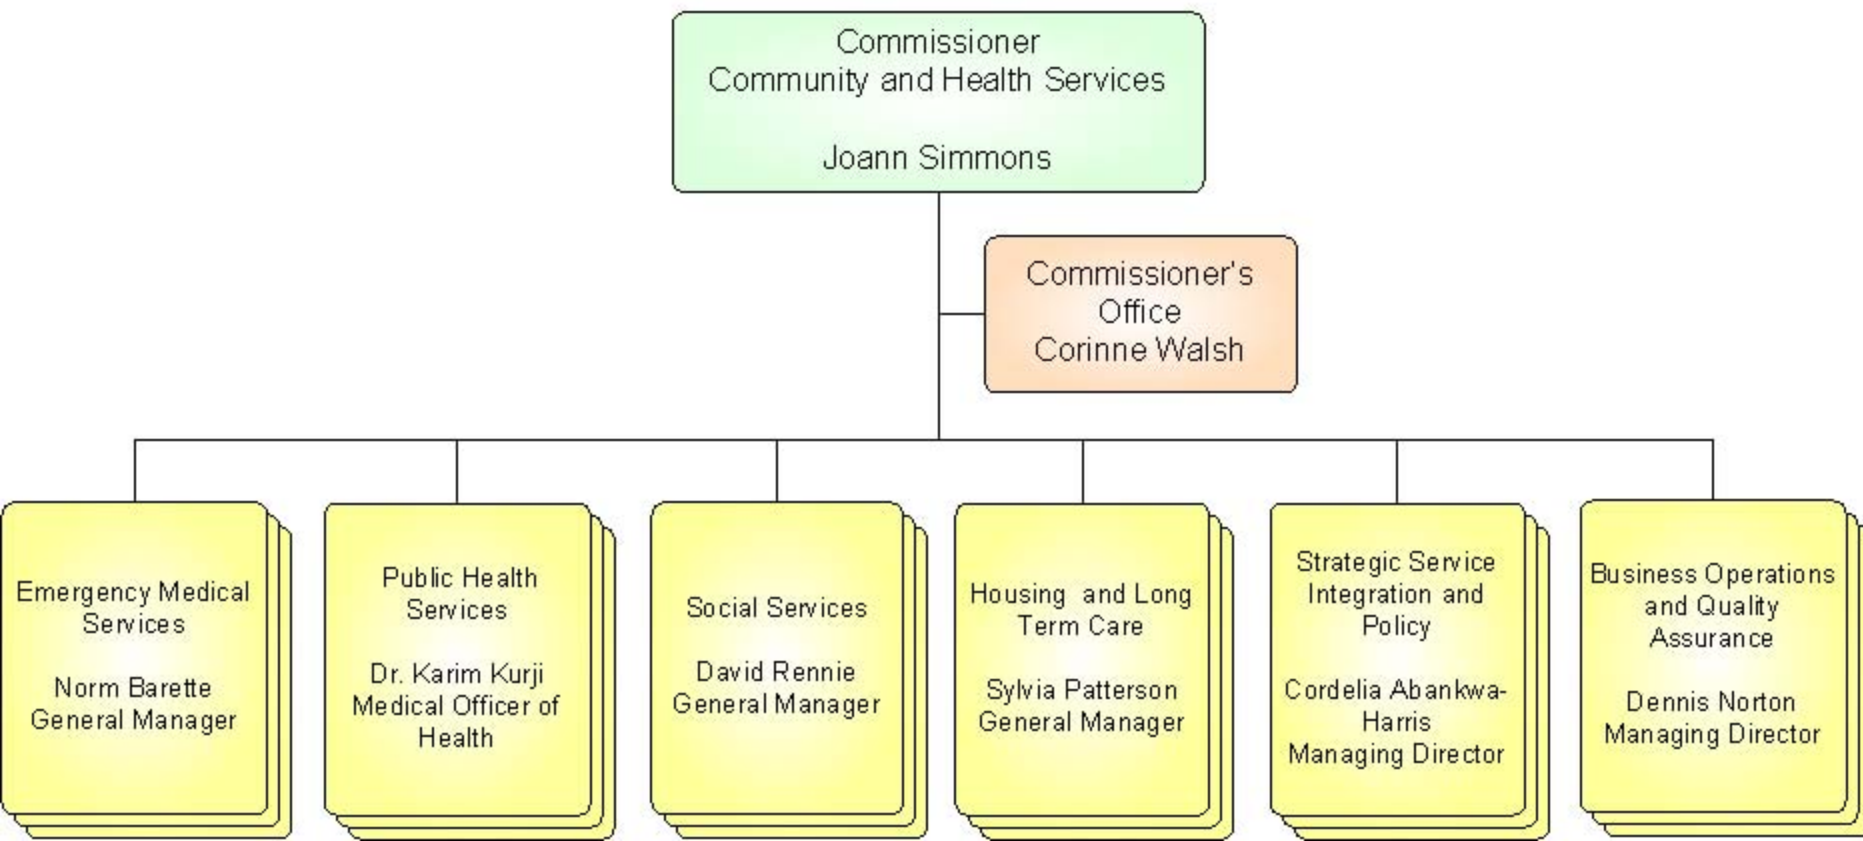

Attached for your information are two charts. The first is an organizational chart identifying the branches within the department and the names of the branch heads. The second is a functional chart identifying the program areas and functions of the department (it is not intended to be an all-inclusive list of services offered).
