

MEMORANDUM

TO: Environmental Services Committee

FROM: Erin Mahoney, Commissioner of Environmental Services

DATE: September 1, 2011

RE: **Organized Committee Tours of Selected Regional Facilities**

Environmental Services Committee members have expressed interest in organized tours of some of the key Regional facilities. The facilities have been selected based on recent construction activity resulting in upgrades or expansion. All of these projects have been funded either through Stimulus Funding or Building Canada Funding or in some cases the construction is complete and the facility is in service.

The proposed tour dates and facilities are as follows:

Late October	Elgin Mills CEC – Official Opening and Ribbon Cutting Ceremony
February 2012	Material Recovery Facility
April 2012	Georgina Water Treatment Plant
June 2012	Duffin Creek WPCP/Rouge Park Enhancements

Committee Members will be sent an email invite in advance of each of these specific tour dates. The email invite will provide tour details including specific location, tour duration and travel arrangements.

Erin Mahoney
Commissioner of Environmental Services
