August 15, 2012

Dear Mr. Kelly,

I am writing to request that York Regional Council at its September 20, 2012 meeting to recognize and proclaim October 2012, as "Toastmasters Month", as it has been designated for the past several years.

Toastmasters International is a non-profit organization, which has been teaching valuable communication and leadership skills to people around the globe for over 85 years. There are currently over 270,000 members in 13,000 clubs in 116 countries.

The Toastmasters Region of York Club has been active for six years and counts over 35 staff as its members. We take pride in our contributions to the development of communication and management skills that help us better serve the people of our Region.

Thank you for your consideration of this matter.

Sincerely,

Vetri Kasinathan
