Subject: Request for Deputation at Council on Sept 21st

Elma,

This is a formal request to make a deputation at Council on Sept 21st regarding the topic of Regional Sign By-law Election signs. I would appreciate being e-mailed the staff report on this item prior to the meeting, but feel it maybe necessary to make a deputation regardless.

Thank-you for consideration of this request and as we approach the date could I get confirmation of the ability to make a deputation.

Sincerely,

Deb Schulte
