NOTES/COMMENTS:

Dear Mr. Fisch,

Please find attached my letter to you and on behalf of the Beverly Glen Rate Payers Association regarding Draft Extract, Clause No. 15 in Report No. 7 of the Transportation and Works Committee.

Please share this letter and the signed petition with Members of the York Region Council.

Thank you in advance,

Brian Brown
President
Beverly Glen Rate Payers Association

Dear Chair and Members of York Regional Council

RE: Draft Extract, Clause No. 15 in Report No. 7
of the Transportation and Works Committee

This letter confirms that I, as President of the Beverley Glen Ratepayers' Association, have just recently been made aware of the above-noted draft extract which will be considered by York Region Council at its meeting on September 22, 2005.

The issue of traffic and safety has been a key concern of the residents of this Association, especially those living along King High Drive, Concord Road, and Lawrie Road. Many community meetings have taken place over the years, working with both staff and elected officials, to obtain feedback, direction and support.

The draft extract poses two options for addressing the volume of infiltration of traffic along King High Drive. The first option being the implementation of a southbound left-turn prohibition at the intersection of Dufferin Street and King High Drive between the hours of 7:00 am to 9:00 am, Mondays to Fridays, and the second option being the closure of King High Drive at Dufferin St.

It is our understanding that the Committee is in fact opposed to the closure of King High Drive and in favour of the left-turn prohibition signs. The residents of the Beverley Glen Association clearly feel that the signs will do little to deter the infiltration of outside drivers from using King High Drive. And as noted in the staff report, compliance to turning prohibitions would be relatively low without proper enforcement. As such, we feel strongly that only through the closure of King High Drive at Dufferin St. would this situation be rectified.

As such, we are respectfully requesting that Council supports staff's recommendation for the closure of King High Drive at its intersection with Dufferin Street. Should Council agree with Committee's recommendation, we then ask that this item be referred back to the Transportation and Works Committee so that we are afforded the opportunity to make deputations on an extremely important issue for the residents of the Beverley Glen Associations.

Enclosed herewith is a petition of signatures from all the residents of King High Drive, Concord Road and Lawrie Road, who are 100 percent supportive of the closure of King High Drive.

Sincerely,

Brian Brown

President, Beverley Glen Ratepayers' Association

Cc: Mr. Bill Fisch, Chair, York Region Council

Members, York Region Council

Mayor William Bell, Chair, Transportation and Works Committee

Members, Transportation and Works Committee

Mr. Bill Robinson, Commissioner of Engineering and Public Works, City of Vaughan

Mr. Mario G. Racco, MPP, Thornhill

King High Drive Closure

We, the residents of King High Drive, Concord Road and Lawrie Road are in support and favour of Staff's recommendation to close King High Drive at Dufferin Road. We believe this direction to be the best approach to reduce the traffic infiltration into our neighbourhood which has created safety concerns for our families on a daily basis.
