Honourable Sir,

Re: Local Hospital Funding

At its meeting of July 7, 2008 Council of the Township of King considered the enclosed resolution of the Council of the Town of Newmarket regarding the Province of Ontario's amendment to the Development Charges Act and its effects on local hospital funding.

Council endorses the enclosed resolution and joins the Town of Newmarket in requesting the Government of Ontario reconsider its decision to amend the Development Charges Act and to fully fund health care costs and that, if the Province continues to insist on not fully funding hospital infrastructure, it provide the tools to solve the problem so that growth pays for growth and no additional burden is placed on the property taxpayer.

Yours truly,

Chris Somerville
Clerk
