Dear Sirs:

**Re: Regional Urban Expansion-- Application of Town of Georgina to
Amend Region of York Official Plan as the same relates to Keswick
Business Park Secondary Plan (Town OPA97)**

We understand that the Region of York is relying upon policy 3.4.4 of the Greenbelt Plan for compliance with the Plan. I wish to address the following issues:

- Was there a Regional Council resolution authorizing the consideration of the urban area expansion prior to December 16, 2003 for the urban boundary expansion?
- Which background studies or reports by the Regional municipal staff or planning consultants were substantially completed prior to December 16, 2003 concerning the Keswick Business Park expansion?
- How many years worth of employment land will Georgina have if OPA 97 is approved?
- How many years supply of employment land Georgina currently has and how many additional years will be achieved by OPA 97
- How does the proposed regional plan comply with the Green Belt Plan and the Growth Plan ?

Thank you.

Sincerely,

Peter Griffin, Principal
