

August 30, 2004

Mr. Michael Garrett
Chief Administrative Officer
Regional Municipality of York
4th Floor - 17250 Yonge Street
Newmarket, ON
L3Y 6Z1

Dear Mr. Garrett,

*Re: Request for Funding Assistance
Ansnorveldt Water Supply, Township of King*

As you know, during the past few months staff of the Region of York and the Township of King have been working diligently to develop and implement a joint strategy to determine if other sources of funding are available from the Provincial and Federal Governments. Attached for your review is a status report relating to the aforementioned strategy.

Additionally, I can now confirm that a notice of discontinuance has been filed relating to an outstanding law suit against the Township of King and the Region of York. Documentation of same has been provided to your legal department.

Should you require further information on this matter, do not hesitate to contact me.

Yours truly,

Bob Casselman, C.A.O.
Township of King

BC:ss

cc : Sandra Cartwright, Commissioner of Finance and Treasurer, Region of York
